 - Spring break—Two Wed night mandatory rehearsals March 18 and 25. 18th at 8 is chaperone meeting, then parent meeting is mandatory March 25, all questions answered, what to plan for, what to pack, how much spending money; prelim schedule on website; we are confirmed Thursday at Epcot, we have never been to Epcot! Per Bob Rogers, Disney is so heavy in construction, overhauling how they do all student experiences! The backstage area at Magic Kingdom has been demolished, and playing at Epcot has nothing to do with our audition, everyone that Bob Rogers is working with are at Epcot. Mr V has call scheduled with Disney rep about details, will march around World Showcase lagoon lake, through the countries; it is a morning parade; this will be a great trip and it is very exciting!!! NR is one of the elite bands that was selected to perform during spring break season. Does not anticipate characters or floats in the parade, just bands; Students will be at Epcot all day, kids will prob be back in the park until around 1 after performing and will be at Epcot until fireworks.

- Band hallway—been updating the hallway with new stuff and framed items, uniforms, newspaper articles, taking. Walk down memory lane! Heritage Hallway is being created.
